Dr. Nabil Majed Nasir

An outstanding surgeon, an outstanding teacher and an outstanding administrator

Dr. Nabil Majed Nasir passed away peacefully in his home in the UAE last August, with his family beside him.

He was educated in Baghdad where he got his MB,ChB from Baghdad Medical College in 1966 and a Diploma in General Surgery in 1972 before leaving to the UK where he got his fellowship and returned back in 1976.

He earned a consultant status in Basrah where he was an active member of the surgical community of the city in the events and during the military conflict in the eighties.

He practiced his exceptional administrator skills in Basrah and Baghdad before leaving to the UAE where he spent the last decade of his life.

Nabil will be always remembered by his polite and calm charismatic personality.
