**"Abstract"**

The second half of the 20<sup>th</sup> century has witnessed many Arab unitary projects, but most, have not been achieved, its impact was not positive on the future of Arab unitary thoughts due to the frustration it caused . though, that not prevent significant successes such as in U.A.E, which collected seven Gulf emirates in one, eminent and federal state that adopted the federal system, and that was for the defiantly of giving up the all privileges of the ruling families. Since the formation of U.A.E in 1972,

---

the U.A.E was going on forward for a total incorporation of the governmental institutes and it made important steps especially the incorporation of the military forces, constitutional incorporation and Laws uniting.

The foreseen future of U.A.E inspires that it going in the right direction specially the economic achievements in investment field in and out of the state, that gave the ruling system the strength and legitimacy as it brought about the prosperous living for citizens.
